Documents will also be mailed by first class mail and by certified mail, return receipt requested, to the party's current address (or the last known address if current address is not known)

No address is available for mailing and no address can reasonably be discovered. I ask the court to waive the mailing requirement.

**Statement of Points and Authorities**

Oregon Rules of Civil Procedure (ORCP) Rule 7D(6) allows a court to order alternative methods of service if service cannot be made by any other method specified by rule or statute. Service may be made by any method or combination of methods most reasonably calculated to advise the recipient of the action.

**Declaration**

I have made the following efforts to locate the other party (explain who you contacted or steps taken to locate the other party or find a valid contact address): PAID Deshutz Sheriff to serve

1. Asked TriCounty to locate his physical ADDRESS for service - PAID \$69 for Skip Trace
2. Contractors Licensing board - PAID \$50 for Complaint + mediation but got NO physical ADDRESS After he moved in June 2025.

PAID CROOK COUNTY SHERIFF to serve corp. ADDRESS of recorded - He moved

Service cannot be made in person, at the other party's residence or office, or by mail, because moved  
(Explain why you cannot serve by these methods and the efforts you have made):

Austin Fox ADDRESS LISTED is his FORMER ADDRESS of service

I PAID Deshutz Sheriff \$51 x 2 + they CLOSED FIRST CASE, I PAID CROOK CO Sheriff to serve + he is NOT AT THE ADDRESS.

I believe the requested method of alternative service is the most reasonably likely to advise the recipient of the action because: He is active on Facebook

+ NEXTDOOR APP AND he has emailed + texted me 2-3 mos ago.

\* Under Oregon Rules of Civil Procedure (ORCP) Rule 7D(2)

I have his physical home address in Redmond Now.
